

## **Report on Constitution of Eco Club for “Mission LiFE”**

### **St. Xavier’s International School, Atallan, Patran (Punjab)**

#### **1. Introduction**

In line with the vision of the Hon’ble Prime Minister’s initiative “Mission LiFE” (Lifestyle for Environment), St. Xavier’s International School, Atallan, Patran has constituted an Eco Club to inculcate values of environmental conservation, sustainable living, and responsible citizenship among students. The club will serve as a platform for creating awareness, conducting activities, and building lifelong habits aligned with environmental sustainability.

#### **2. Objectives of the Eco Club**

The Eco Club has been framed with the following objectives:

- a. To spread awareness among students, staff, and parents about the importance of Mission LiFE.
- b. To encourage reduce, reuse, and recycle (3Rs) practices in daily school life.
- c. To promote activities such as energy conservation, water management, waste segregation, and plantation drives.
- d. To develop eco-friendly habits in students through experiential learning and projects.
- e. To involve the community in spreading the message of Mission LiFE beyond the school campus.

#### **3. Constitution of Eco Club**

The Eco Club will function under the guidance of the principal and will consist of a team of teachers and students as per the structure below:

- Patron
- Principal - Overall guidance and supervision
- Eco Club In-Charge (Teacher Coordinator)
- Appointed Teacher (Nominated by Principal)
- Teacher Members
- 3-5 Teachers from Science, Social Science and Co-curricular departments
- Student Members

- 20 Students (from Classes VI–XII, nominated on basis of interest & enthusiasm)
- Student Leaders: President, Vice President, Secretary, Treasurer, Activity Coordinators
- Community Representative
- One Parent Volunteer / Alumni / Local NGO Member (if available)

#### **4. Proposed Activities under Mission LiFE**

- a. Green School Campaign: Plantation of saplings and development of herbal garden.
- b. No Plastic Drive: Awareness against single-use plastics in and around the school campus.
- c. Energy & Water Audit: Students to monitor wastage of electricity and water.
- d. Bird & Animal Care: Installation of clay pots and water feeders during summer.
- e. Eco Celebrations: Observing World Environment Day, Earth Day, and Van Mahotsav.
- f. Skill Building Workshops: Training on compost making, recycling, paper bag making, etc.
- g. Community Outreach: Street plays, rallies, and exhibitions on Mission LiFE themes.

#### **5. Monitoring & Evaluation**

Monthly meetings of Eco Club members.

Activity reports to be submitted to Principal at the end of each term.

Photographs and documentation of all activities for record keeping and CBSE/State level submissions.

#### **6. Conclusion**

The Eco Club at St. Xavier's International School, Atallan, Patran is a proactive step towards aligning with the Mission LiFE movement. It will not only sensitize students towards environmental responsibilities but also empower them to become change-makers for a sustainable future.
